HAZARDOUS WASTE SUPPORT:

Remember to keep your Form 8700-12 current -Use this link to access a copy of the Form 8700-12 with instructions from RI DEM

<http://www.dem.ri.gov/programs/benviron/waste/pdf/epaidno.pdf>

Provide profiles and analytical data for each waste stream -Learn more under: Rules & Regulations for Hazardous Waste Management – Chapter 1.7 – pp. 40

https://risos-apa-production-public.s3.amazonaws.com/DEM/REG_9644_20180806194447.pdf

Always keep copies of your manifests and LDRs -Learn more under: Rules & Regulations for Hazardous Waste Management – Chapter 1.7(J) – pp. 89

https://risos-apa-production-public.s3.amazonaws.com/DEM/REG_9644_20180806194447.pdf

Review the requirements for annual training -Learn more under: Rules & Regulations for Hazardous Waste Management – Chapter 1.7(F) – pp. 84

https://risos-apa-production-public.s3.amazonaws.com/DEM/REG_9644_20180806194447.pdf

Keep weekly written storage inspections -Learn more under: Rules & Regulations for Hazardous Waste Management – Chapter 1.7(C) – pp. 78

https://risos-apa-production-public.s3.amazonaws.com/DEM/REG_9644_20180806194447.pdf

Ensure proper labeling for material storage -Learn more under: Rules & Regulations for Hazardous Waste Management – Chapter 1.7(E) – pp. 84

https://risos-apa-production-public.s3.amazonaws.com/DEM/REG_9644_20180806194447.pdf

UNDERGROUND STORAGE TANK SUPPORT

Review your inspection requirements -Use this link to access a copy of the RI DEM Inspection Requirements

<http://www.dem.ri.gov/programs/benviron/waste/pdf/usttiir.pdf>

Understand your training and certification requirements -Learn more under: Rules and Regulations for Underground Storage Facilities – Chapter 1.10(U) – p. 1

<https://rules.sos.ri.gov/regulations/part/250-140-25-1>

Test your certification compliance -Use this link to access a copy of the RI DEM Compliance Certification Checklist Bulletin and Booklet

<http://www.dem.ri.gov/programs/benviron/assist/usterp/pdf/ustcl13.pdf>

Provide all necessary compliance reporting -Learn more under: Rules and Regulations for Underground Storage Facilities – Chapter 1.10(C) – p. 1

<https://rules.sos.ri.gov/regulations/part/250-140-25-1>

Complete your recordkeeping requirements -Learn more under: Rules and Regulations for Underground Storage Facilities – Chapter 1.13(B) – p. 1

<https://rules.sos.ri.gov/regulations/part/250-140-25-1>

Know your installation requirements and new design timelines -Use this link to access a copy of the RI DEM Fact Sheet on UST Installation

<http://www.dem.ri.gov/programs/benviron/waste/pdf/ustfs-install.pdf>

Consider methods for tank security and leak detection -Learn more under: Rules and Regulations for Underground Storage Facilities – Chapter 1.16(E-F) – p. 1

<https://rules.sos.ri.gov/regulations/part/250-140-25-1>
