

Southern New England Marine Industry Environmental Conference Agenda

8:00 – 8:30 am	Registration and Breakfast	
8:30 – 8:40 am	Welcome and Introduction: Dean Corliss, URI Wendy Mackie, CEO RIMTA	
8:40 – 9:40 am	Balance and Sustainability: An Introductory Keynote with Dan Wolf Founder and President of Cape Air	
9:55 – 10:45 am	Technical/Regulatory Track	“Big Picture Thinking“ Track Sponsored by Newport International Boat Show
	Auditorium	Hazard Room
	<p align="center">Breakout #1</p> <p align="center">Clean Marinas: A Panel Discussion and Program Review</p> <p align="center">Lead by Example RI Clean and Resilient Intro Examples from RI Participants</p> <p align="center">D. Morrow, Maryland DNR</p> <p align="center">A. Smith, New England Boatworks</p> <p align="center">D. Nixon, RI Sea Grant</p>	<p align="center">Breakout #2</p> <p align="center">The Business of Sustainability: Doing Good, Doing Well</p> <p align="center">How to Market Sustainable Action Building a Green Brand Economic Motivation for Sustainable Improvement</p> <p align="center">J. Pearsall, Performance Research Group</p> <p align="center">M. Carnevale, 11th Hour Racing</p>
10:45 – 11:05am	Coffee Break Sponsored by Kellogg Marine Supply	

	Technical/Regulatory Track	"Big Picture Thinking" Track
	Auditorium	Hazard Room
11:05 - 11:55am	<p align="center">Breakout #3 We're from the Government</p> <p align="center">Intro. DEM, CRMC, EPA Permitting Communication Q+A / Open Discussion</p> <p align="center">D. Goulet, CRMC R. Gagnon, DEM R. Gallagher, Gallagher Environmental Consulting Group S. Carney, DEM A. Mello, DEM</p>	<p align="center">Breakout #4 Plastic Waste Reduction for Marine Industry Businesses</p> <p align="center">Workplace Plastic Reduction Shrink Wrap Recycling</p> <p align="center">D. McLaughlin, Clean Ocean Access</p> <p align="center">B. Murphy, North Sails</p> <p align="center">J. Huber, RIMTA</p>
12:00 - 12:45pm	Lunch sponsored by Starkweather Shepley Marine Division (Enjoy on the patio or in the auditorium)	
12:45 - 1:30pm	<p align="center">Keynote #2 Marina Rebuilt: Environmentally Sensitive and Stronger Than the Storms Jim Bollerman, Sandy Hook Bay Marina</p>	
	Technical/Regulatory Track	"Big Picture Thinking" Track
	Auditorium	Hazard Room
1:40 - 2:30pm	<p align="center">Breakout #5</p> <p align="center">Solar Trends and Energy Efficiency in the Marine Industry</p> <p align="center">Background Environmental Impacts Business Benefits</p> <p align="center">A Baro, E2Sol</p> <p align="center">B Constantino, RI C-PACE Program</p> <p align="center">B Read, Sail Newport</p>	<p align="center">Breakout #6</p> <p align="center">Cradle to Cradle Design Workshop Part 1 of 2</p> <p align="center">Introduce C2C Institute Framework Relevant Applications Interactive Exercise</p> <p align="center">Led by the Tellart Design Team</p>
2:30 - 2:50pm	Coffee Break Sponsored by Kellogg Marine Supply	

	Technical/Regulatory Track Auditorium	“Big Picture Thinking” Track Hazard Room
2:50 – 3:40pm	Breakout #7 Facing the Storm: Waterfront Resilience Planning / Strategy Philosophy Results P Rubinoff, URI Coastal Resource Center D Santa, Race Coastal Engineering S Schram, Gowrie Group	Breakout #8 Cradle to Cradle Design Workshop Part 2 of 2 Interactive Exercise Discussion / Follow-Up Led by the Tellart Design Team
3:50 – 4:20 pm	Wrap-up Discussion with Eye to the Future W. Mackie, RIMTA B. Cooper, Gowrie Group K. Burns, CMTA	
4:30 pm – 5:30 pm	Cocktail Hour Sponsored by Matunuck Oyster Bar
